## GENERAL INFORMATION FOR EMPLOYEES

& Advocacy Center**

**Q** *I have learned that my employer is requesting to cease participation with Kentucky Retirement Systems. Can they do that?*

**A** Yes. Legislation was enacted during the 2015 Regular Session of the Kentucky General Assembly that created a statute establishing a process for certain employers to cease participation with Kentucky Retirement Systems (KRS). In return, a ceasing employer is required to pay their share of any outstanding unfunded liability.

Although state law ensures that benefits previously earned by employees will not be affected by the employer's cessation, employees will not be able to earn future service credit with the ceasing employer. State law requires that the employer offer an alternative retirement plan for its employees.

**Q** *When will my employer cease participating with Kentucky Retirement Systems?*

*Current and former employees of a ceasing employer should be aware of two important time periods:*

**A** **June 30, 2018:** This is the last day current employees may earn service credit with the ceasing employer. This date is also the deadline for an employee to file all documents necessary to complete a service purchase or enter into a service purchase installment agreement.

**January - June 2019:** During this time period, the KRS Board of Trustees is scheduled to make a final decision whether an employer can cease to participate. If the Board approves the employer's application, employees who requested refunds of their retirement account pursuant to KRS 61.522, will have those balances transferred directly to the ceased employer's alternative retirement plan. Following the final decision by the KRS Board of Trustees, employees with installment purchase of service agreements will have the opportunity to complete the service purchases.

**Q** *What will happen to my retirement account if I have earned service credit with an employer that has ceased participating with Kentucky Retirement Systems?*

**A** Your retirement account is safe! You will not lose your retirement account if your employer or former employer ceases participation in KRS unless you take a refund of your account. However, current employees of a ceasing employer will no longer earn service credit towards retirement after June 30, 2018.

You are not required to take a refund! Your employer cannot force you to transfer your KRS retirement account to the ceased employer's alternative retirement plan.

**Q** *What should I do if I have questions or want more information regarding my retirement account?*

**A** To learn more about your retirement account, please utilize KRS' online Self Service ("Self Service") tool. Registering for Self Service will allow you to access your current account information. If you are a first-time user of Self Service, you will need to register. You must have your KRS Personal Identification Number (PIN) to register online and validate any changes you make to your account information. ## RETURNING TO WORK AFTER RETIREMENT

**Q** *I am retired through Kentucky Retirement Systems and would like to return to work with an employer that is ceasing participation with Kentucky Retirement Systems. What should I do?*

**A** Pursuant to KRS 61.637, all normal reemployment after retirement rules apply and retirees returning to work with a ceased or participating employer must observe a “bona fide separation” from service. To have a “bona fide separation” from service the retiree can neither have a pre-arranged agreement to return to employment at the time of retirement nor return to work within three (3) calendar months of retirement. In addition, the retired member must submit a Form 6751, available on the website [www.kyret.ky.gov](http://www.kyret.ky.gov). **YOU SHOULD NOT RETURN TO WORK UNTIL YOU HAVE RECEIVED APPROVAL FROM KRS.**

If you are unsure whether your employment after retirement is restricted under the law, please send written correspondence to KRS, including: (i) your name and address, (ii) KRS’ Member ID, (iii) name of employer, (iv) the date you began discussing reemployment with this employer, (v) and the anticipated start date of your reemployment. The written statement should be mailed to Kentucky Retirement Systems, 1260 Louisville Road, Frankfort, Kentucky 40601 or faxed to (502) 696-8822. Upon receipt, your request for reemployment will be reviewed and you will receive a written response from KRS.

## EMPLOYER DOES NOT STOP PARTICIPATING

**Q** *What will happen to my retirement account if my employer does not successfully cease participation with KRS?*

**A** If an employer’s application to cease participation in KRS fails for any reason, employees will once again begin to accrue service credit.

Additionally, for the time period between July 1, 2018 and when the cessation application fails, employees will be able to regain any lost service credit by paying an amount equivalent to the missing employee contributions. If this occurs, you will be notified by KRS regarding the steps necessary to regain any lost service credit. Given the possibility that the cessation application may fail and the availability of purchasing the lost service credit, employees may need to consider saving funds to make such a purchase.

## PURCHASE OF SERVICE CREDIT

**Q** *I am eligible to purchase service credit with KRS for employment with a ceasing employer. What do I need to do?*

**A** KRS members may be eligible to purchase more than 31 types of service. Service purchases generally allow an employee to increase service credit to enhance his or her retirement benefit(s).

Members whose service purchase includes time periods earned through the ceasing employer or are dependent upon the ceasing employer’s continued participation, must either complete the purchase or enter into a service purchase agreement with KRS no later than **June 30, 2018**.

**Q** *What payment methods are available to purchase service credit?*

**A** Subject to the limitations set forth in Section 415 of the Internal Revenue Code, eligible service credit may be purchased by the following payment methods: Lump Sum Payment, Installment Purchase of Service Agreement, Rollover or Transfer from a Qualified Plan. Pre-tax dollars can be used for any service purchase type while post-tax dollars are limited to certain service purchase types.
